

```
75 var button3 = Titanium.UI.createButton({
76     title:'Alert 3 Buttons',
77     height:40,
78     width:200,
79     top:110
80 });
81
82 button3.addEventListener('click', function()
83 {
84     a.message = 'Three Buttons';
85     a.buttonNames = ['One', 'Two', 'Three'];
86     a.cancel = 1;
87     a.show();
88 });
```
